2023-01-27 23:50:56.900075 You can find all the information here:
./profiles.csv

2023-01-27 23:50:56.900069 Finishing execution ...

Total time consumed: 0:00:19.498773
Average seconds/query: 6.499591 seconds

Did something go wrong? Is a platform reporting false positives? Do you need to
integrate a new one and you don't know how to start? Then, you can always place
an issue in the Github project:
https://github.com/I3visio/osrframework/issues
Note that otherwise, we won't know about it!
